among EU Member States and third countries associated to the Programme

The institutions agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. The institutions agree on exchanging their mobility related data in line with the technical standards of the [European Student Card Initiative](#).

Grading systems of the institutions

Receiving higher education institutions need to provide a link to the statistical distribution of grades or make the information available through [EGRACONS](#) according to the descriptions in the [ECTS users' guide](#).
